CAMPING AND CABIN INFORMATION EACH PERSON MUST PROVIDE HIS/HER OWN TENT AND SLEEPING/BEDDING GEAR. Each person must be able to set up the tent and bedding alone or with the help of a companion. Organizers will assign cabins and try to accommodate families or groups as roommates.

PHYSICAL HEALTH: Participants will take full responsibility for being fully able to participate in the daily scheduled activities of the pilgrimage. This pilgrimage **REQUIRES PILGRIMS BE ABLE TO WALK UP TO 23 MILES ON SOME DAYS AND A COMBINATION OF CANOE AND WALK ON OTHER DAYS AS LISTED. THIS ITINERARY IS FOR 6 CONSECUTIVE DAYS.** One may choose not to participate in parts of the pilgrimage; however, there is no refund for missed parts. Boating supervisor will assign each person to a vessel. Maximum capacity - Canoes for two to three persons, kayaks one or two depending on individual vessels. All occupants must wear their PFD. Provided whistles must be aboard canoes & kayaks.

OTHER WATER CAUTIONS: Carry drinking water and bug spray. State law prohibits the feeding of alligators. Intentional capsizing or swamping is prohibited. Do not stay on the water in the event of thunder or lightning. If your vessel capsizes or swamps, it will continue to float. **Hold on to the vessel** as you make your way to shore.

PRIMITIVE/ROAD/BIKE PATH WALKS: Primitive walk areas and paved paths have limited access to bathrooms. Be sure every morning to review the scheduled bathroom breaks. Please advise your group leader if you need assistance or transportation to the next camp site. Walking may be uneven up or down slopes, on primitive nature trails, and, at times, on sidewalks and terrain. Pilgrims will walk on side/shoulder of road against the flow of traffic on the left side of the road. A pedestrian shall obey applicable traffic laws where sidewalks are provided, and to the extent possible pilgrims will use these and will not walk in the street where sidewalks are not provided.

REQUIRED SUPPLIES: wide brim sun hat, sunscreen, proper footwear, items needed for personal health and safety, ponchos, flashlight, personal TENT and bedding. Every pilgrim is required to carry a first aid kit while on route. The first aid kit must include preventative blister tape, preventative products for blisters, sunburn, and minor injuries, as well as bandages and care/healing products for blisters, sunburn, and minor injuries.

REQUIRED INJURY PREVENTION and CARE Every pilgrim is required bring the supplies necessary for prevention and treatment of his/her own blisters, sunburns, and minor injuries. Every pilgrim is required to have the knowledge and the ability to prevent and to treat his/her own blisters, sunburns, and minor injuries and must perform this self-care. Every pilgrim is required to drink adequate water to stay well hydrated.

SUGGESTED SUPPLIES AND PRECAUTIONS: insect repellent, sunglasses, two layers of socks, such as high percentage wool thin socks. These socks tend to rub against each other instead of the skin, thus reducing the cause of blisters. Avoid cotton socks that abrade feet when damp. Prevent blisters by taping feet before walking. If feeling a hot spot or a blister coming on, treat it immediately and tape the area. Research online for blister prevention and foot care for long hikes, including lancing and draining of blisters. Experienced pilgrims highly recommend high percentage merino wool socks, Leukotape®P for foot tape, and Ecco®, Clarks®, or Keen® sandals. These are suggestions. Please research online to find the best products and care methods for yourself.

ADDITIONAL CAUTION: Central Florida is known as the lightning capital of the world. If you are caught out in the open during a storm, attempt to reach cover as quickly as possible.

ANIMALS: Do not interact with or feed the wildlife. Do not pick or disturb plants. These laws are for your safety and the safety of Florida's plants and wildlife. Store food in locked containers and dispose of trash properly.

BAGGAGE/GEAR: A vehicle will transport overnight baggage to the next site. All baggage must be waterproof and be labelled with pilgrim's name. Each morning, pack overnight belongings and check that identification tags are attached. Place baggage in your assigned transport vehicle.
